CityServe

www.cityservetrivervalley.org

CityServe of the Tri-Valley exists to bring Christ's compassion to our cities by sending volunteers of the local church to the non-profits serving in our region. As a CityServe member church, we are able to participate in many service opportunities throughout the Tri-Valley

Faith In Action

CGCC regularly schedules F.I.A. events which enable our congregation to meet the tangible needs of our community. We serve Livermore schools, area churches, seniors and a variety of other projects that share the love of Christ locally.

The Livermore Homeless Refuge

www.livermorehomelessrefuge.org

LHR was created to provide a warm, safe, clean environment for individual homeless people to stay overnight. It uses faith based communities as its base to house this segment of our society. These faith based communities allow us to provide this service to the homeless at a minimal cost. It does not segregate on the basis of race, creed, color, religion or lack of religion. Cedar Grove provides staffing for this vital ministry.

They provide a safe haven for women and their children who are homeless because of abusive relationships, addictions, loss of financial support and other factors.
