[www.younglifetrivalley.younglife.org](http://www.younglifetrivalley.younglife.org)

Young Life is about loving kids regardless of their responses. It starts with adults who are concerned enough about kids to go to them, on their turf and in their culture as they build bridges of authentic friendship.

They believe that kid's lives are dramatically influenced when caring adults come alongside them, sharing God's love with them. Young Life has a strong presence on High School and Middle School campuses.

Paul and Kathy oversee a community ministry center called the “Bridge” reaching Turkish immigrants (mainly Muslim) through evangelism, discipleship and church planting. Through ministering the love of Christ, the Baums seek to be bridge-builders between various racial/ethnic individuals, people groups and churches. The center offers children’s programs, church services, Bible studies, German classes and practical assistance as tools to build relationships as they share the gospel.

Frank continues to build relationships in our state capitol with government leaders. He currently leads three weekly Bible studies and has regular opportunities to share the Gospel. It has been encouraging to see new legislators attend the Bible studies recently. Frank also has many opportunities to meet with legislators in a one-on-one pastoral role.

## Mike Silva International

[www.mikesilva.org](http://www.mikesilva.org)

The Mike Silva International (MSI) team travels to the festival city to build up the local church and proclaim the life-changing message of Jesus Christ. An MSI Festival is much more than just an event. Their team ministers in and creates a partnership with local churches and community leaders. They spend time in the city before the festival discovering how they might meet some of the cities most critical needs. MSI provides Bibles, hosts Pastors’, Women’s and Business Conferences, and sponsors Children’s Fiestas. They also conduct friendship evangelism and train counselors to help new believers take the next step of faith. Cedar Grove regularly supports MSI festivals and sends “Go Teams” to participate however the Lord leads.
