Cedar Grove Community Church STUDENT MISSION TRIP April 5-11, 2020

Los Angeles

THE MISSION IN LOS ANGELES, CALIFORNIA

Why LA?

People often think of Los Angeles as a beautiful city with famous celebrities, huge mansions, and beautiful beaches. But hidden behind the wealth and success exists thousands of people living in a state of homelessness — and they live in a place called Skid Row. The streets of Skid Row exemplify the stark contrast between the wealthy and the poor, this gap being one of the greatest in the country.

What will we be doing?

Through partnership with Next Step Ministries, you will team up with incredible local organizations like the Union Rescue Mission, Hope Gardens, and Enrich LA. As we partner with these incredible organizations, your students will learn about the city of Los Angeles and begin to understand homelessness on a deeper level.

Our desire is that the gospel and hope of Christ can be a beacon of hope on Skid Row. Whether interacting with someone extremely similar or vastly different than you, sharing in the joy found in the Lord is our main platform for ministry. Through primarily relational opportunities, our students get to be a part of sharing Christ's love on Skid Row.
